

2019 Annual Report to Mission Partners is Out

Our Annual Report to Mission Partners is out and can be found in the **Newsletter** Tab of our website!

Our 2019 Favorites – Personal

❖ Our **supporters and prayer warriors** are tops in our hearts! You have been faithfully there for us all year. Thank you! May the Lord continue to richly bless you with His love this year. ❖ Some **books** we are reading or have read this year make the favorites list. The Celtic Way of Evangelism, Smith Wigglesworth's works, Glorious Weakness, Emotionally Healthy Spirituality, When Helping Hurts. ❖ **Berlin at Christmas** time is on the list when your **kids and grandkids** are there! Being with family is restorative when you are a missionary. We did our best to refill our family time "tanks" in just 5 short days!

Our 2019 Favorites – Ministry in Bratislava

❖ The **BIF Christmas party**. This year was the 2nd annual with over 40 in attendance (double last year), and was a wonderful success! We enjoyed traditional Slovak food, fellowship, and Christmas carols (in English). ❖ One of our BIF leadership couples – **Clive and Monika Greenham**. They are very devoted to God and faithfully serve Him and the church. Clive likes to organize things and always has a smile on his face. Monika has a wonderful laugh and makes everyone feel welcome.

Our 2019 Favorites – Ministry in Europe

❖ Our favorite ministry travels (kind of like potato chips, you can't have just one) were the ones where we **visited and served missionaries**. Seeing the ministry they are passionately involved in, listening to them, praying for them, helping them, and getting to know their kids and their community has been priceless. What an honor to serve and support those who have said "Yes, Lord, send me!"

Will you join us in 2020?

The ministry we are doing outside of Bratislava continues to grow. If you are not already part of our financial support team, will you join us in 2020 and help us to say "yes" to all that God is asking us to do? Thank you for your investment in His vision for Europe!
