

God's Faithful Provision ... Your Faithful Giving

You may or may not think about the support you send. We do! And we are thankful for each and every gift – knit together to provide for every need. It is God's provision, given through your faithful hands, allowing us to serve as the Lord has called us. Every gift is a key element of what we need to live and serve where we do. Thank you for allowing us to have Bratislava as our home base – from which to pastor, to host and bless visiting missionaries, and to travel from to do what God has called us to do throughout Europe. Have you ever wondered where **your** gift fits in? Let us show you! Thank you for being a part of every piece we need!

	Per Week	What Does it Cost?
Cell Phones for Gary & Joy	\$12.00	
Bratislava Tram/Bus Passes	\$13.00	
Automobile Insurance	\$20.00	
Auto Fuel & Maintenance (non-ministry use of car)	\$20.00	\$5.05 per gallon
Life Insurance	\$23.00	
Utilities (Gas, Electric, Internet)	\$51.00	\$5.60 per gallon
Health Insurance	\$57.00	
Tithes & Offerings	\$128.00	\$6.50 per pound
US Social Security & Medicare	\$215.00	
Slovakia Income Taxes	\$218.00	
Living expenses (clothing, food, medicine, personal care items, etc.)	\$231.00	\$1.20 per loaf
Rent	\$254.00	

The above does not include the ministry expenses we incur when traveling from Bratislava to serve and support missionaries in other countries. But the Lord is providing for that through your faithful giving as well! What the above does represent is our “base of operations” and our place of refuge, rest, and regeneration. When the Lord said “here” to Bratislava during our visit in the spring of 2017, little did we fully understand how He had this amazing city, beautiful country, and all of you in mind, to make a place for us. ***Just this month we have entered a season where many have fear and worry. Our lives here in Slovakia are very different than they were even a few weeks ago. We will have more to share on this next month, but know that our heart is to always be hope and peace to those around us. Pray for us as we live and proclaim God's goodness where we live!***

Gary & Joy
