

CCI and PPP

Aren't acronyms great? You can say so much with so little! **CCI** (City Church International) has officially begun its first ever children's church, CCI Kids, so the first "P" of PPP is **Praise!** The first Sunday we had nine children, two teachers, worship, teaching video, crafts, and even a computerized check-in system! It was a big success, and you were a part of this through your support and prayers! The second "P" is **Prayer**. Will you continue praying with us in our quest to rent our own space for CCI? We are in final negotiations for the "Vajnorska" space we wrote about in December, and are believing (see the photo!) for a signed contract any day now. Then, the move will begin with renovations and acquisition of equipment for sound, worship, video, chairs, tables, (think church plant). Which brings us to the third "P": **Provision**. Our budget is €34,000 with 1/3 of that for leasehold improvements, and 2/3 for the systems and equipment we will use there. Will you pray and consider sowing into the CCI vision of the Vajnorska project? Our planned first gathering is a Prayer & Worship night on February 29, even if the space is not "ready to occupy". We will fill the space with prayer and praise as our first official act!

Global Workers in Graz

We are so very thankful for every opportunity the Lord gives us to visit new FMI global worker families! In January, we drove about 3 hours southwest to Graz, Austria to spend some time with the Fehlens – Jordan, Lindsey and their kids, Emmy, David and Lydia. What a blessing they are for the city of Graz. They've already begun a bible study with some of the people they met at their German language class. We know through our own experiences that transitioning to a new country, culture and language isn't easy, so it is an honor to be able to listen to their challenges, joys, and hopes for the future. Please join us in praying for this young family called to reach the city of Graz!

Wheels Needed for Washington

We are headed to Washington state and the PNW to be there for Emily and Chris as they welcome their third child, our newest granddaughter! The car we normally use is no longer available, so we are in need of wheels for this upcoming trip in April and May. Renting is very expensive, so we are asking in prayer and faith for the Lord to meet this need through one of you or someone you know. We know it is a big ask as we will use it to drive across the PNW the first two weeks as we raise some additional support ahead of the initiation of the new FMI worker fee in 2025. Maybe you know someone who'd like to hear our story and join our team! Thank you for always being there for us, it means more to us than you'll ever know!
