The Harvest Is Abundant

“And He said to them, ‘The harvest indeed is abundant (there is much ripe grain), but the farmhands are few. Pray therefore the Lord of the harvest to send out laborers into His harvest.’” (Luke 10:2) Jesus said this as He sent out, ahead of Him, the 70 disciples into every town and place where He was going to visit. We need to be willing to be laborers who can go where Jesus desires to be. When you send us you go too, with your gifts and prayers! We are grateful you have chosen to link arms with us! It’s a very personal and relational thing to give of your hard-earned money to what God has asked you to invest in!

Romania

The picture above is farmland in Northern Romania, close to where we will be working with national pastors. Romania is a beautiful country! Please pray for the work there – that the ripe harvest will be gathered by more laborers who are willing to lay their lives down for Jesus. He is always worthy of what we give Him.

Support Europe

Translations can be tricky, there’s all those nouns, verbs, tenses, etc., that make or break what you think you’re saying or hearing. Over the next few newsletters we will give you some of the ways that Podpora (Slovak) can be translated. It’s a perfect word to describe our ministry because all of its meanings reflect our heart toward those we are called to serve!

Praise & Prayer

The big puppy in this picture on the right is our boy Koda. He is 5 years old and has been such a great addition to our family! We can’t take him with us, however, as we won’t be home often and it wouldn’t be fair to him. Please pray for us to find a wonderful home here that can handle a very large terrier with lots of love to give!

Continue to pray for our boys to find a place to live and come to grips with their parents leaving the country. Pray for us too. Sometimes, despite the excitement and desire to go, we have emotional moments thinking about how we won’t see our boys walk through the door and share moments of their lives every day.

We are praying for each of you! Your faithful support grows every week! Current commitments have reached 26% of our needed monthly support with 16% already coming in! Thank you!!
